

Artists V Photographers competition.

This competition is an annual event, it consists of 15 Pictures made by the Artists of the Watford & Bushey Art Society and 15 Prints made by members of the Watford Camera Club, (each piece of work being scored out of 20) this years competition was held on Tuesday 17th. March 2009 at the Beechen Grove Baptist Church Hall, Watford.

The judging was a very close run thing with W&BAS being the eventual winners, the final scores were: W&BAS scoring 268 points and WCC scoring 266 points, so congratulations to W&BAS.

All in all it was a very enjoyable evening with lots of constructive comments from the very knowledgeable Judge Mr Roy Chaffin, one of the more unusual tips he gave for photographers was to carry a chain saw to remove any offending structures that may be cluttering up your image. (not to be taken to seriously I think)

Thanks to Gerry Rees of W&BAS and their members for organizing the event and to Roy Chaffin for his excellent judging.
