

## Zoe Bennett

I am an artist living in Watford, I studied (BA Hons) Textile Design 2:1 at Nottingham Trent University specializing in Printed textiles. I work part time as an artist and part time as a Visual Stylist for Marks and Spencers, having previously worked as a Visual Manager for New Look and Topshop.

My art is influenced by my textile training with an emphasis on colour, pattern, design and texture. I work using a variety of mediums including digital, collage, acrylics and pen often with 3-Dimensional elements. Contemporary florals, abstracts and patterns mainly feature. I am currently investigating transferring my designs onto textiles such as cushions, lamps and blinds. My inspiration is taken from all around, I love to draw the natural world and explore the varying rich cultures of daily life.

I have previously exhibited at the 'Radlett Arts Centre' and the 'Slug and Lettuce' in Harpenden and will shortly be showing my new collection at 'Artshed' in Ware. I have just completed a corporate commission for the 'Sports Academy' gym in Watford.

Shells

Purple Flower Scatter Cushion 1

Organic Squares

I welcome new commissions please contact me to discuss.
